Investing in You

It's All About YOU runs on a two tier fees model. If you are from a farm, from a rural community, or running a small business, you are eligible for a subsidy. Thanks to generous support from AWDT and DairyNZ the fee is \$420 +GST.

Where women are sponsored by their primary sector business or organisation, the full programme fee of \$1,000 + GST applies.

Each programme is limited to 14 women. Register your place now at www.awdt.org.nz

“ *It's all about YOU encouraged me to explore my personal values and strengths and take time out to look inside myself. For me, it was the stepping stone to AWDT's Escalator programme which then led me to starting my own purpose-led social enterprise.* ”

Becks Smith, Central Otago farmer and vet.
